NSPB MEMBER BENEFITS

ABOUT US

Founded in 1946, the NSPB is a not-for-profit organization serving businesses, institutions and property owners on the near south side. Our mission is to plan, guide, and support a program of development providing instrumental influence on the revitalization efforts of our neighborhood.

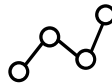

BUSINESS REFERRALS

Over 250 active members and multiple committee opportunities available to create connection with people and businesses.

NETWORKING OPPORTUNITIES

6-8 social functions per year, quarterly membership luncheons, annual literary gala, and 1 on 1 leadership meetings.

RELEVANT INSIGHTS

Development plans, proposals & updates, neighborhood workshops, access to key governmental and local leaders.

BUSINESS PROMOTION

Connect with your customers through our promotion channels. Social media, website, newsletters, sponsorship opportunities, and more.

TESTIMONIALS

"In addition to adding valuable connections that have translated into real business opportunities, The Near South Planning Board heled us establish a more meaningful relationship with the South Loop. We are building more than just buildings; we are building a thriving community"
- Summit Design + Build, LLC

"The NSPB is a convener of civic and private leaders and city influencers who have a demonstrative impact on Chicago. It has provided me with community and industry knowledge, and created a new network to grow my contracts in the Chicago CRE sector, specifically with developers, general contractors engineers, and architects."
